### Additional College/School Requirements

Academic advising is an important part of your undergraduate experience. Please meet with an advisor in the college of your major before registering for classes each semester.

**Business** requires MATH 144 or 242 and ECON 201 and 202. MATH 111 or 112 meets the prerequisite for MATH 144.

**Education** requires PSY 111. Teacher education students must take STAT 370 as well. MATH 111 is a prerequisite for STAT 370.

**Engineering** requires MATH 242, PHYS 313, and CHEM 211. Students have two options for completing the General Education Program requirements in Fine Arts and Humanities and Social and Behavioral Sciences.

**Fine Arts** majors in art education, music education, and special education music are required to take 3 hours of Literature, PSY 111 and STAT 370, or Educational Statistics, or a higher level math course.

**Health Professions** requirements are listed by major. General Education requirements vary.

**Liberal Arts and Sciences** requires:

- English or foreign language literature (Humanities)
- HIST 131, 132 (Humanities) or POL S 121 (Social Science)
- One biology course and one physical science course; one must have a laboratory experience.
- Foreign language in all BA degrees and the BS degree in criminal justice.

**Exploratory** students meet with an academic advisor in the Liberal Arts and Sciences Advising Center to help clarify interests, identify possible majors and remain academically flexible.
